TRUE ACCOUNT OF THE KILLING OF SANFORD

BY GOEBEL. Malicious Misrepresentations Set at Rest by Statement of Coroner Tarvin.

A prominent Republican physician of Owenboro is credited with making statements to the country people of Daviess county, intending to mislead them, concerning the kllling of John Sandford by Senator Goebel. Others have purposely misrepresented the unfortunate affair to the detriment of Senator Goebel.

In other counties the same tactics have been employed. Particularly has this been true in Henderson county. At the request of friends and in order to get a true statement of the difficulty between Sanford and Goebel, of which so much has been written and said. Mr. B. S. Morris, of Henderson, wrote W. W.
